Dear Ren:

I really appreciate the receipt of the Confidential Record Sheet. This will enable us to identify Mr. Lambert should he attempt registration in some other location.

I believe we are placing Mr. Lambert on our file, because of some action with [redacted] scouts. If you could have this put in writing so that we have the actual reason, this would be helpful, since there is nothing in our files at the present time.

Thanks for helping in the completion of this file.

Dear Ren:

I really hate to bother you again, but I am getting no information from your council related to the above named individual. We received a letter suspending his registration dated June 20, 1988. Since that time, I have tried on several occasions to secure a Confidential Record Sheet and other information.

I am enclosing another Confidential Record Sheet which I would like to have completed, so we can identify Mr. Lambert. We do not wish him registered other places, if you feel he should be suspended.

Please give us more information related to the suspension. Why is Mr. Lambert being suspended at this time, and why should he not be registered with the Boy Scouts of America?

Thanks for your help in completing this file and protecting the youth of America.

Sincerely,

Paul

Dear Ren:

Last June, I received a copy of a letter that was sent to Mr. Lambert suspending his registration as a registered member of the Boy Scouts of America. Since that time, I have not been able to receive any information from you related to this matter.

I am enclosing another Confidential Record Sheet which I would like to have completed, so we may identify Mr. Lambert should he attempt registration in some other location. A copy of paper with his signature would also aid in the identification process.

We must have more documentation of what occurred that caused the registration to be suspended. Any statements from individuals or a narrative of what occurred from you would be most helpful.

Thanks for your help in completing this file.

Sincerely,

Paul Ernst, Director

Dear Ren:

We received information from your council in June, concerning the above named individual. At that time a Letter of Suspension was sent, suspending his registration in Pack 311 and Troop 233.

We are enclosing a Confidential Record Sheet, which we would like to have completed, so that we may identify Mr. Lambert should he attempt to register in any other location. We would like this information, plus a copy of a paper with his signature, since this will aid in the identification process.

Please send us more documentation on the incidents which caused the registration to be suspended. This is most necessary, if we are to have a complete file which will lead to refusal of registration anywhere in the country.

Thanks again for your help in protecting the youth of America.

Sincerely,

Paul Ernst, Director

Dear Larry:

I appreciate the copy of the letter of June 20, which you sent me. This is most helpful to our files, and certainly will be placed there to help support our refusal of any registration attempts.

I would like more documentation concerning the incidents that occurred which led to the dropping of Brian Lambert's registration. Please send us signed statements or other facts which will help to substantiate this in our files for the future.

I am enclosing a confidential record sheet which I would like to have completed so that we may identify Brian should he attempt registration at some later time.

Thanks for your help in completing our file.
